

NEWS FROM CHAVIS RECORDS

FOR IMMEDIATE RELEASE
October 10, 2006

FREE the first track from **REHAB**, the explosive new effort from *vocalist Kevin DuBrow, drummer Frankie Banali, bassist Tony Franklin, and guitarist Neil Citron*, is being released to radio stations worldwide via AirPlay Direct.

"Radio servicing is a major cost. Servicing can run into major dollars and just adds to the overall expenses for a project. AirPlay Direct eliminates those expenses by delivering radio ready material **FREE** at an instant" says CEO Bill Chavis.

QUIET RIOT is a featured artist at AirPlay Direct and radio program directors can easily access **QUIET RIOT** material at:

<http://www.airplaydirect.com/music/bands/2668/index.php>

REHAB is distributed by **BCD Music Group** and is available in the US nationwide. **QUIET RIOT** will be embarking on a tour in support of **REHAB**. Visit www.frankie-banali.com or Pollstar.com for tour dates.

REHAB is currently creating a positive vibe in the industry as well as with fans. **QUIET RIOT's** latest effort is once again at the forefront of the reemergence of rock n' roll!
