

“INFINITE DROPS” PARTNERS WITH AIRPLAY DIRECT

For Immediate Release:

Lincoln , NE – Infinite Drops is pleased to announce a powerful new strategic alliance with AirPlay Direct to provide our clients with cutting-edge advantages in regards to radio servicing and digital press kits.

This new partnership will allow clients of Infinite Drops access to free smart tools, enabling each artist to easily and effectively deliver their digital press kit to any media outlet in the world in a quick and professional way.

“In my opinion, AirPlay Direct is the clear choice for any artist in terms of digital delivery needs. Revolutionary free services combined with a slick interface put AirPlay Direct in line to take control of a market dominated by poorly-designed websites and high prices,” states Chris McConnell, CEO of Infinite Drops.

Infinite Drops is a Lincoln , NE. based design and promotions company that creates opportunities for Christian independent musicians.
